

# spelen in de natuur Wilde Kamp (Garderen)

The main image is a map of the Wilde Kamp area in Garderen. The map uses color coding: green for open fields, orange for buildings or structures, and purple for specific nature clusters. A yellow line indicates a path or road, and a blue 'P' symbol marks a parking area. Three red arrows point from specific locations on the map to three inset photographs:

- Wandelpaden**: A photograph of a dirt path winding through a wooded area with a wooden bench in the foreground.
- Ontdek hoe een grafheuvel er van binnen uit ziet**: A photograph of an archaeological site with several wooden posts and a sign, showing the interior of a burial mound.
- Cirkelvormige eeuwenoude clusters eikenbomen**: A photograph of a circular cluster of old oak trees in a forest.
